

Student elections!

Over the past week, we have participated in the democratic process! Each student has had a chance to vote on the very important, and pressing issues of our times. Some of them include our classes' favorite shape, color and snack, as well as favorite holiday, season and day of the week, among others! It was a very exciting week full of surprises from both the left and right, as well as from the independents! 😊

Below you will find the way our classes voted, and hopefully now that all the ballots have been cast and counted, we can move forward in a way that benefits each and every student!

Favorite shape -	Triangle
Favorite letter -	"B b"
Favorite food -	The Hotdog
Favorite dessert -	Ice-cream
Favorite boy toy -	Cars
Favorite girl toy -	Fairy's
Favorite color -	Red
