

November 28th – December 2nd 2011

Music & Instruments

Ms. Nicole

Ms. Nicole, our guest and former dance and music teacher will be here for a special music circle this Tuesday from 11:30-12:00noon! We are so excited to have her visit us while on her vacation all the way from Ireland!

Music

This week we will cover the basic's of music. This will include rhythm, dynamics of song (fast/slow, loud/soft, tempo/volume), group dancing (freeze dance), and music notes (whole, flat, sharp). We will also play group games such as “musical carpets” and “A tisket-a-tasket”.

Instruments

This week we will be focusing on 3 types of instruments; **Wind** (tuba, flute, recorder, trumpet, etc.) **Percussion** (bass drum, snare drum, cymbal, etc.) and **String** (violin, harp, cello, guitar, etc.) We will learn to identify the common and not-so-common names of instruments in each group. Students will also hear examples of each type of instruments and begin to identify them by sound.
