

**May 12<sup>th</sup> - May 16<sup>th</sup> 2008**

**\*\*\* The Caterpillars are now in their Chrysalis! \*\*\*  
Watch carefully over the next week or so...soon we will  
have Painted Lady Butterflies!**

During this week we will be focusing on spelling review as we go over our short vowel reading words that we have used in our various reading, writing, and spelling activities throughout this year. The words are broken into our 12 unit sections based on frequency and order. Over the past months our students have been exposed to these words in a multitude of ways such as:

- ★ Listening to short stories or poems containing these words
- ★ Filling in the blank (Tim will \_\_\_\_\_ the ball at the game). *hit*
- ★ Tracing or writing
- ★ Identifying the vowel s
- ★ Unscrambling
- ★ Sentence building
- ★ Rhyming exercises
- ★ Word order and more...

As your student brings these spelling word lists home, we encourage you to review them with your child!
